MARKETING SOLUTIONS

Marketing solutions for the
trade fair & workshops

More visibility. More conversations. More success.

Being present at a trade fair means wanting to be seen and approached by the right people. We help you achieve that with impactful communication solutions that maximize your visibility before, during, and after the event.

Whether in print, digital, or directly at your booth: our tailored solutions ensure you capture attention and leave a lasting impression.

Good to know: Many of our offers are currently available at highly attractive rates – and can also be used outside of the trade fair period. Make a bold statement – and get the most out of your trade fair presence.

"In an already well-established industry, optimal visibility is crucial for a successful trade fair presence. I look forward to working with you to find the optimal product combination that will put your company in the spotlight."

"I will be happy to answer any questions or provide information - your satisfaction is my top priority."
