3. Freight elevators

The following freight elevators can be used during assembly and dismantling:

- [Hall 11](#)
- [Hall 12](#)

4. Shop for exhibitor services

You can book technical services for your stand via the [Shop for Exhibitor Services](#).

Please contact the main exhibitor and request a stand code.

You can find an overview of important order deadlines [here](#).

5. Stand construction permit

The stand construction and technical guidelines form the basis for the design and execution of the exhibition stand. Please submit your stand construction documents via the Messe Frankfurt online portal: submit plan [here](#).

If your stand does not require a permit, you will receive official notification via the portal that you are authorized to erect your stand as submitted. Otherwise, your documents must first be checked by Messe Frankfurt. In this case, the Technical Event Management department will get in touch with you.

Special structures and special constructions require approval and are subject to additional cost.

6. Important contacts

The hall service team will be present throughout the set-up and dismantling periods.
