of the exhibitors want to participate in the PCIM Expo 2027

» For us, the PCIM Expo is one of the most important platforms worldwide, as it is uniquely and consistently focused on power electronics like no other exhibition. This dedicated thematic focus enables a highly qualified exchange among experts and an in-depth exploration of the industry's current topics. The resulting depth of content and technical quality makes the PCIM an outstanding and indispensable event. «

Jörg Schulze, Director
Fraunhofer IISB
