

PCIM Executive Circle feat. ISIG

# Registration and Participation Conditions

All registrations are subject to review by the organizing team. Registration does not constitute a right to participate. Participation is limited and subject to a selection process based on the event's target audience, thematic focus, and available capacity.

The PCIM Executive Circle is a curated, invitation-based format exclusively intended for executives with decision-making and strategic responsibility, as well as selected representatives from investment, innovation, and academia.

We reserve the right to reject registrations that do not meet the participation criteria or where acceptance would not align with the concept or capacity limitations of the event. The review process will be completed within eight business days of registration.

If participation is declined, the applicant will be informed without undue delay and any payment already made will be fully refunded via the original payment method.
