Access to the loading yards

Attention! Changed access conditions during setup!

Please review the delivery plans in the logistics directory and forward it to your relevant partners and service providers, as changes to the access routes have been made due to the Rock im Park festival taking place concurrently with the setup!

Deliveries for setup will be made via Gate 1f for vehicles; pedestrians may also enter the grounds via Gate 1c (ATTENTION: Only for advance setup and official setup)!

It is not possible to enter the exhibition centre without prior booking of a time slot in the [TransITfair system](#). Time slots are subject to a charge during the set-up and dismantling periods and free of charge during the exhibition period.

Further information can be found in the [logistics directory](#).

Support for TransITfair:

logistic.support@nuernbergmesse.de

Parking during assembly and dismantling

Cars

From Friday, 5 June to Monday, 8 June 2026, cars can park for free in the P-Süd-Ost parking lot.

Trucks

Trucks can be parked free of charge in the Poststraße lorry park from Friday, 5 June to Saturday, 13 June 2026.

The truck parking area will be closed on Wednesday, 10 June 2026. Please note the opening hours in the [logistics directory](#).

From Saturday, 6 June to Tuesday, 9 June 2026 and Thursday, 11 June to Saturday, 13 June 2026, a free shuttle bus service to the Exhibition Centre Nuremberg will be offered. The minibus will run from 7 a.m. to 7 p.m.. Journeys must be booked with the security guards at the loading gates.

Mobile homes and caravans

Caravans and mobile homes may not be parked at the Exhibition Centre Nuremberg. Please use the campsite just a few minutes drive away.

6. Shop

All technical services for your exhibition stand must be booked via the NürnbergMesse ExhibitorShop. [Registration](#) is required to access the shop.

Please note the [How-To](#) for the ExhibitorShop.

If necessary, please forward the registration link to your service providers (stand constructors etc.) so that they can register and order for your stand.

Your contact for questions about the ExhibitorShop:
+49 911 86 0688-50 or exhibitor.services@nuernbergmesse.de

7. Stand construction permits

The [stand construction guidelines](#) must be observed when designing and constructing the stand. It is not necessary to submit the planning documents.

Special constructions are subject to approval and costs. Special constructions include, among others:

- Structures in the outdoor area
- Special constructions (show trucks, promotional vehicles, etc.)
- Cinema and auditoriums < 100 m²
- Scene areas
- Platforms and walk-on structures higher than 0.20 m
- LED walls/video walls incl. substructure or mounting materials
- Glass constructions
- Moving components

Examination and approval of structures requiring authorisation:

Dimensioned stand plans on a suitable scale (at least 1:100) with floor plans and views must be submitted in electronic form (.pdf) for approval to Nürnberg Messe's Event Engineering department no later than six weeks before the start of stand construction: veranstaltungstechnik@nuernbergmesse.de

Stand construction is not authorized until the approval note has been issued by Event Engineering.

For further information, please refer to item 4.2 of the [Technical Guidelines of NürnbergMesse](#).
