## Access to the loading yards

It is not possible to enter the exhibition centre without prior booking of a time slot in the [TransITfair system](#). During set-up and dismantling, time slots are subject to a charge and are free of charge during the exhibition period.

On the last day of the event, 26 Nov 2026, vehicles will not be allowed to enter the loading yards from 12 noon until 8 p.m. due to the delivery of empties by the exhibition forwarders.

Further information can be found in the [logistic guide](#).

## Parking during assembly and dismantling

### **Cars**

Cars can park free of charge in car park P Ost or P Süd from Thursday, 19 Nov to Monday, 23 Nov 2026. Exception Monday, 23 Nov 2026: multi-storey car park and parking deck south 7.00 EUR.

### **Trucks**

Trucks can be parked free of charge in the parking area at P1 Poststraße. Please note the opening hours in the [logistic guide](#).

A shuttle bus will be used for lorry drivers to and from the car parks.

**Bus location: Exhibition Centre Nuremberg/East Entrance**

### **Mobile homes and caravans**

Caravans and mobile homes may not be parked at the Exhibition Centre Nuremberg. Please use the campsite just a few minutes' drive away.

## 5. ExhibitorShop

All technical services for your exhibition stand must be booked via the NürnbergMesse ExhibitorShop. [Registration](#) is required to access the shop. Please note the [How-To](#) for the ExhibitorShop.

Exhibitors have the option of requesting their own login data for the ExhibitorShop for partners (e.g. stand builders). This allows partners to order services for the exhibitor area. Further information on this can be found in the ExhibitorShop [How-To](#).

Your contact for questions about the ExhibitorShop:  
+49 911 86 0688-50 or [exhibitor.services@nuernbergmesse.de](mailto:exhibitor.services@nuernbergmesse.de)

## 6. Stand construction permits

The [stand construction guidelines](#) must be observed when designing and constructing the stand. It is not necessary to submit planning documents for single-storey stands in the halls, provided they do not exceed a floor area of 400 sqm.

- Special structures and special constructions require approval and are subject to additional cost. Special constructions include for example:
  - Two-storey stands
  - Buildings in the open air
  - Special constructions (show trucks, promotion vehicles etc.)
  - Cinema and auditoriums < 100 sqm
  - Scene areas
  - Platforms and accessible superstructures higher than 0.20 m
  - LED walls/video walls incl. substructure or attachment materials
  - Glass constructions
  - Moving components

### Stand construction permits:

Booth construction approval is handled digitally via the [Booth+Check tool](#).

If the exhibitor has already listed you as a contact person with your personal email address, please use the following link to [login](#) with your email address and the one-time password.

If you have not yet been registered for the exhibition booth, you can register yourself and request access from the exhibitor.

Attached you will find the [FAQ's](#) for Booth+ Check.

Stand construction may not commence until the plans have been approved and granted by the Event Engineering Department.

For further information, please refer to sections 4.2.1 and 4.10 of the Technical Guidelines of NürnbergMesse.
